About This Game

Impulse Revolution is a frantic, physics based racing game with an emphasis on local multiplayer.

Race air hockey pucks through a neon-cyber world using a simple, challenging control mechanic.

Compete in multiple racing modes and minigames with the ability to add bots to any mode.

Supports up to 4 players on a single keyboard or a mix of keyboard and controllers.

Race Modes

Race

Classic arcade racing. Race through the many and varied tracks, avoiding traps and take out your opponents with an arsenal of weapons.

Elimination

Up to 4 pucks fight it out on a single screen. Race to get far enough ahead to eliminate your opponents in a round based points system.

Hunter

One puck hunts and converts other pucks to its side while the rest run and hide in a round based mode.

Chain Gang

Race as a team with another puck chained to you the whole way.

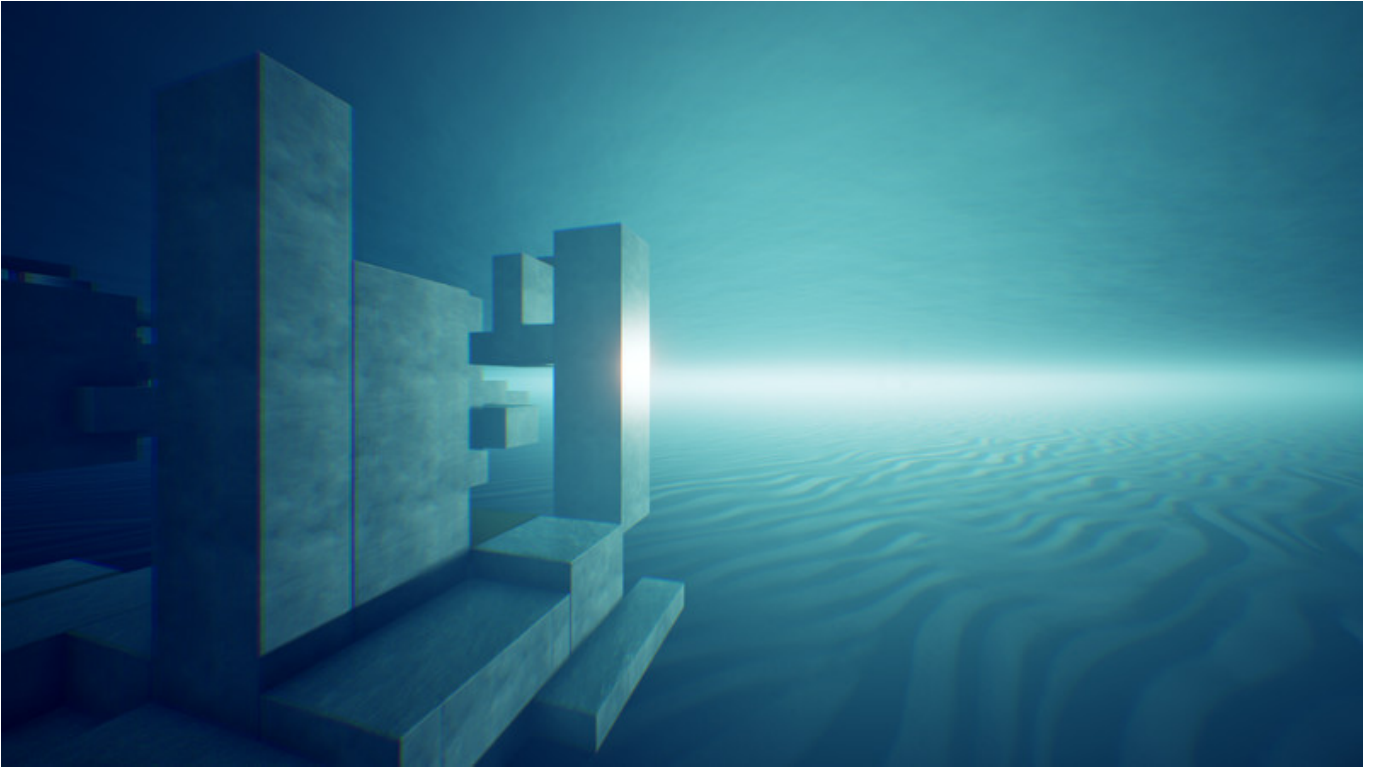

Minigames

- Pass the Bomb
- Sumo
- Line Runner
- Bombardment
- Ping
