I think combining the features that new levels offer with each other would be a good start, but this is still a good way to pass the time Gameplay here: <https://www.youtube.com/watch?v=ymLeRw7mZg&t=21s>. I'll have two number 9s. A number 9 large. A number 6 with extra dip. A number 7. Two number 45s, one with cheese. And a large soda. Jokes aside, it's a great game, while it doesn't do anything groundbreaking for where puzzle games are concerned, it still does it exceptionally well.. I'll have two number 9s. A number 9 large.
